

Beadology Jewelry Making Classes & Workshops

Beadology 101

This class is a great "HOW DO I BEAD CLASS", that teaches you the fundamentals of beading. Learn about the wire, tools you need, crimps and closing with a professional look. Like in any school, you need to learn the basics and suddenly a beautiful world of beading opens up to you. Create a single strand necklace, a bracelet, or an anklet.

Offered daily when space is available. Just walk in or call to book your time. Please consider reservations on Saturdays for this popular class.

Workshop fee is \$10.00 per person plus the cost of your selected materials or your selected bead kit. Offered Daily and scheduled workshops on Saturdays.

-Every Saturday from 1-3 PM

Beads and Chocolate - Bracelet Workshop

In this workshop you learn the basics to making all the bracelets you will ever want! You will create single strand or double strand bracelets and work with turquoise, coral, and jaspers while getting funky with fashion! Beadology has a wonderful selection of semi-precious stones, freshwater pearls, Swarovski Crystals, awesome Czech Art Glass, lamp work and so much more! We also have sterling block letters for the personalized "Mother's Name Bracelets". Workshop fee is \$15.00 plus the cost of your selected materials.

This is a great workshop for "*Girl Getaway Weekends in Lake Geneva*". ~ Beading Treats are served during this workshop. The chocolate is complimentary and delicious!

-Every Friday from 4-5 PM

Vintaj Natural Brass Art Jewelry Workshop

Be inspired by Beadology's huge selection of Vintaj Natural Brass Findings. In this workshop, you will work with one of Beadology's authorized Vintaj Specialist to learn about these hot new products. Make a necklace or bracelet choosing from a wide range of Vintaj Natural Brass pendants, findings, beads, charms, filigrees and chain. There are 12 jewelry designers at Beadology that all use Vintaj findings in their designs and are here to stir your imagination! Vintaj Natural Brass is featured in Stringing Magazine and many beading publications.

Workshop fee is \$25.00 per person plus the cost of your selected materials. Reservations are required (with deposit) for scheduled Sunday workshops.

-Every Sunday from 2-4 PM

The Mystery of Wire Crochet

This popular class was selected by Interweave Press to be published in their book called, "The Beader's Stash-From America's Best Bead Stores". Here you will learn the unusual method of wire crochet. In this class, you create a multi-strand necklace from start to finish. Basic chain stitching is required for this class. Crochet hook is supplied.

Workshop fee is \$30.00 plus the cost of the Wire Crochet Bead Kit you select. Reservations are required (with deposit).

-By Appointment Only

Earring Workshop

Learn how to create one "of a kind earrings" in this workshop. It's all about the right tools. Beadology takes you through coil wrapping with assemblage in an artistic way and will tell you our secrets of design.

Offered daily when space is available. Just walk in or call to book your time. Please consider reservations on Sundays for this popular class.

Workshop fee is \$25.00 per person and includes your basic earring kit and practice wires. Tools are on hand. You create 3 pair of sterling earrings in this class - 2 with Sterling findings and 1 with Vintaj findings. Offered daily with scheduled workshop on Sundays.

-Every Sunday from 12-1 PM

Workshop fees and Guidelines

We accept Visa, MC, and Discover. Materials can be purchased at the time of your scheduled workshop. Please call Beadology at 262-248-1895 to make your reservations or email info@beadology-lakegeneva.com. Please notify us of any cancellations within 48 hours of class date to be courteous of the wait list.

Please keep in mind that Saturdays fill up quickly, plan ahead by calling to see what is available. There is a limited amount of space available for all workshops.

The instructor for the Wire Crochet Class travels to Lake Geneva on the scheduled dates for the workshop. Deposit is required for this class.
